Now is the time for you to secure your ad in our playbill!

Advertising in our playbill is a fantastic way to support local arts, while increasing awareness of your business to locals and visitors alike. We have a dedicated group of season ticket holders, and attract a robust clientele of visitors and newcomers to the area.

Each play runs for 6 performances, so your ad gets to 18 different audiences, plus your ad runs on our website for the entire season. We have a variety of sizes and options, and we'll even professionally design your ad for FREE if you'd like! See the reverse side of this flyer for more information.

Space is limited, and ad spots are going quickly!

Give us a call at (252) 261-4064 or drop an e-mail to theatreofdare@yahoo.com to support the arts today!
